Reservations

Reservations can be made by visiting www.tourguideperu.com, calling (703)-7274370, or contacting us via email at aaron@tourguideperu.com. Pursuant to TSA Secure Flight Program requirements, travelers are required to make reservations in the name that is listed on the government-issued document he or she will use for travel. Travelers must ensure their names are correctly listed on invoices and travel package documents. If you need to make any changes to a name after travel documents have been issued, you will be responsible for any applicable name change fees.

Prices

Prices are correct at the time of publication; however, as airfares, aircraft availability, hotel rates and room availability, tour prices and availability, ticket prices for events, vehicle type, and transfer availability continually fluctuate and add applicable surcharges, package prices and availability will change accordingly.

Payments and Cancellation Policy

A deposit is due at the time a reservation is made. All 40% deposits are non-refundable and non-transferrable. All reservations, except where specified, will require a deposit and will clearly specify the amount due as well as monthly payment plans, if applicable. We reserve the right to cancel your booking if full payment is not received in a timely fashion.

Once reservations have been made, cancellations will only be accepted in writing via email to aaron@tourguideperu.com. This email should include your full name, date of travel, and invoice/account/package number.

Changes to an existing reservation, regardless of the reason for the change, will incur a charge per person, plus any additional supplier/vendor fees which will be determined at request of changes. This policy includes name changes, and/or removal/addition of any services. By submitting a deposit or payment, you formally accept our Terms and Conditions as stated herein. Any violation on your part will constitute a breach and forfeiture of all payments.

Refund Policy

All deposit payments to us are non-refundable and non-transferable. This policy is because we have contractual agreements with hotels, airlines, and other vendors that will not allow us to obtain any refunds. This policy enables us to keep our package prices competitive and allows you to make monthly payments on your vacation.

Travel Documentation

Traveler is responsible for ensuring that he or she meets foreign entry requirements and that his or her travel documents, such as passports and visas, are valid and compliant. We urge customers to review travel prohibitions, warnings, announcements, and advisories issued by the relevant governments prior to booking travel to international destinations.

Trip Details and Documentation

Provided full payment is received no later than your Final Payment Due date, travel details and documentation will be sent via email as soon as the booking is made to be able to reconfirm the reservation.

Age Requirements

Unless otherwise stated, no one under the age of 21 is allowed to attend our vacations. If children are allowed, all children under 18 must be accompanied by an adult.

Airline, Bus and Train Policy

We are not responsible for the services and policies imposed by the applicable airlines, bus and train companies. Their schedules are subject to change without notice. We are not responsible for penalties incurred for tickets, international or domestic, not issued by us due to schedule and/or flight changes. Airline, bus and train reservations completed online are subject to review and should we deem it necessary, may be rebooked to match minimum connecting time requirements and/or travel package itineraries, in which case customer will be notified immediately.

Airlines, bus and trains companies reserve the right to demand immediate issuance of tickets whenever they determine that specific flights are heavily booked, even when normal ticketing rules do not require tickets to be issued until a later date. In this instance, we will require immediate and full payment of the airfare. If full payment is not received, seats will be cancelled by these companies and may not be available to be rebooked on the same service or at the same fares. Any replacement air arrangements will be the sole responsibility of the traveler. We will do our best to use major carriers for these.

Machu Picchu Tickets

The tickets for the citadel of Machu Picchu must be purchased with months of anticipation to the excursion. They are provided by the Machu Picchu government website, and they are not transferable or reimbursed after purchased.
